22nd Annual
Education and
Appreciation Dinner
FOR LIFE

Dear Friend of Life,

Where do commitment to the sanctity of life, tribute to accomplishments, delicious food and great people come together? At the annual Right to Life of Northeast Ohio/Life Education Fund Appreciation Dinner, of course! We are pleased to invite you to this exciting event to be held on April 10, 2010. We hope you will join us as we celebrate and honor the work done by all to promote the sanctity of human life from conception through natural death.

This year, we are excited to present to you two outstanding pro-life advocates as our guests of honor. **David Bereit** became an outspoken pro-life advocate after Planned Parenthood announced plans to build an abortion clinic in his Texas town in 1998. He has served as director of several national pro-life organizations, and is the leader of the national "40 Days for Life" campaign. We are privileged to have him as our keynote speaker, sponsored by Ziegler Tire. Our second guest of honor is no stranger to Ohio. As a United States senator, **Mike DeWine** was passionate in fighting for legislation that promotes life and benefits children. He is currently a candidate for Ohio Attorney General, and promises to continue with his pro-life advocacy when elected. We are honored to have Mr. DeWine attend as the recipient of our 2010 "Champion of Life" award.

Tickets are on sale now! Information about location, tickets, sponsorship opportunities and program advertising is presented on the enclosed flyer. Seating is limited, so reserve your tickets soon! We would be honored by your attendance, and look forward to seeing you at this most important event.

Sincerely,
